

# What we're doing to keep everyone safe!

---

**Covid tests are available to staff and students if required**

**You can choose whether or not to wear a mask**

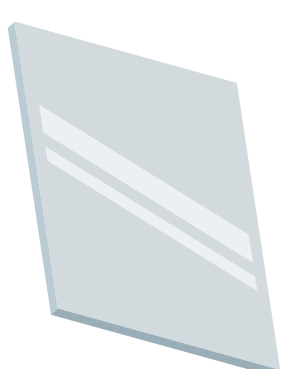

**Hand sanitiser at entry and exit points to the building and in all classrooms. Plenty of signs to remind everyone to use it & to wash hands frequently**

**Classrooms cleaned and sanitised at the end of each day**

**Plenty of ventilation all round the building**

**The usual friendly welcome from Reception, Canteen and Accommodation staff, but with screens in place**
