

COVID-19 Policy

(Updated September 2023)

What we're doing to keep everyone safe

- Covid tests are freely available to staff and students if required.
- You can choose whether you would like to wear a mask.
- Hand sanitisers available around the building. Plenty of signs to remind everyone to use it, and to wash hands frequently.
- Classrooms cleaned and sanitised at the end of each day.
- Plenty of ventilation all around the building.

Suspected cases:

If we suspect you have COVID and we ask you to take a COVID test, we encourage you to comply. You may choose not to do so; in which case we will ask you to refrain from attending school for 3 days.

If you test positive and have symptoms, we will ask you to refrain from attending school for 3 days.

If you test positive but are asymptomatic, you will be able to attend classes, but must take the following precautions:

- Wear a mask in the building at all times, (which we will provide).
- Use hand sanitiser regularly, (which we will provide).
- In class, use the seat closest to the window, which will be kept open.
- You may buy food and drink from the canteen, but it must be consumed in the courtyard picnic area.
- Agree to daily testing and follow the measures until you receive a negative result.

Thank you for your cooperation while we endeavour to keep everyone safe!
